## 2010 Membership Renewal Notice

It is time to renew your membership investment in the Illinois Forestry Association. On behalf of our Board of Directors, THANK YOU for your support and your continued concern for forestry and forestry issues in Illinois. Dues are payable in January for calendar year 2010.

The renewal of your IFA membership is vital to continued success we have experienced in 2009. IFA sponsored legislation that reestablished the Illinois Forestry Development Council and made needed changes in the Illinois Forestry Development Act. We have begun and will continue meetings with the IL Department of Natural Resources to assist in getting more foresters in the field and working to stop the sweep of forestry funds. We will also continue to work with key members of the Illinois Legislature to address forestry issues.

The IFA Board of Directors established a forestry scholarship fund in the memory of Bob Sloan to grant scholarships to deserving students at our forestry schools in Illinois. Bob was a good friend to many, and a particular friend and enthusiast for forestry in Illinois. He served as the IFA Treasurer. In addition to your dues payment, you have the opportunity to donate to this scholarship fund.

Again, thank you for your support for the IFA and your continued concern for forestry issues. Together we will be *The Voice for Forestry in Illinois*.
