

Trail Building Workshop

October 14th, 9am—4pm, Dixon Springs Ag Center

The University of Illinois Extension is hosting a Trail Building Workshop on October 14th 9am-4pm at the Dixon Springs Agricultural Center.

The course will be led by Kelly Pearson, Shawnee National Forest Wilderness and Volunteer Coordinator. Kelly coordinates the award-winning trails program for the Shawnee National Forest and brings years of trail building experience to the workshop to help teach landowners about how correct design and installation can help maximize the longevity and usefulness of trails while minimizing future maintenance needs.

This workshop will utilize both classroom presentations and hands-on training. Attendees will have the opportunity to practice trail design and installation through helping to install a new trail at the Ag Center.

There is a **\$10** fee for this workshop, lunch is included.
